

Safety on journeys

ON CONCESSIONARY TERMS

A business trip abroad - you have to go abroad for some days, weeks, months or even years or you are expecting foreign guests and employees?

Our short-term and long-term health insurance for travels abroad offers the optimal protection. It can be extended by an emergency, liability, travel accident or a baggage insurance.

We offer the suitable package for you in any case.

Choose the situation for which you need a travel insurance:

- ✓ Vacationists
- ✓ Au-pairs, pupils & students
- ✓ Foreign guests
- ✓ Groups
- ✓ Business travelers & expatriates
- ✓ Events
- ✓ Foreign medical practitioners

Hamburg Health Consultants
First-class health - made in Germany

Hamburg Health Consultants

First-class health - made in Germany

With more than ten years experience and strong connections Hamburg Health Consultants opens the door to

- first class treatment for patients from abroad in German hospitals
- first class training for physicians from abroad in German clinics
- first class hospital building, medical equipment and hospital management - "Made in Germany"

- The health economy of Germany offers a unique concentration of researchers, developers, producers, service providers and clinics.
- All of them guarantee the highest quality and are intensively networked.
- Choose Hamburg Health Consultants as a partner and all your demands in the health sector will be fulfilled.
- We connect you to producers of top ranked products and equipment in the health care sector.
- We also connect you to experienced recruitment agencies and companies in the field of hospital management.
- In the field of hospital building and management, we offer partners for turn-key solutions, including medical staff.
- We offer advice in all sectors of Public Health, private health care and health insurance.
- We offer short to long-term training vacancies in German hospitals and clinics to enable physicians from abroad to qualify.
- If you want a realistic impression of the quality of "first-class health – Made in Germany" on site we organize your trip or delegation tour to Germany, book your flights and hotel rooms, connect you to dialogue partners in ministries and all kinds of health care enterprises and clinics!
- Finally we also connect patients to famous hospitals and rehab clinics, known for their premium doctors and distinct services -worldwide, not only in Germany.

HAMBURG HEALTH CONSULTANTS
